Featured Globally in the 2011 Fall issue of the Electronic Lifestyles magazine for 'Cutting Edge Acoustics'... and 'Attainable Systems...'

*"In a seemingly endless desert of installers with questionable ethics, Roger and Nick Foulds, owners of Soundtrap, are an oasis in this industry. The words "enthusiasm" and "integrity" just keep coming to mind. They love what they do and truly have the interests of their clients in the right place.*

**Michael Chen**

THX Video Systems Instructor, The Laser Video Experience
